Outer Burial Container Price List

The price for the Outer Burial Container listed below is the price of the container. In addition to this price, there is a charge for delivery and setup at the cemetery. Price varies by day of the week and in some instances distance from Waterloo.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
